

Friday 7th - Saturday 8th - Sunday 9th of March 2008

MEDIA RELEASE Friday 7 March 2008

Visitors give Summer Boating Festival the thumbs up.

www.summerboatshow.com.au

Despite unseasonal showers visitors to the opening day of the festival took delight in the on-water demonstrations and the hands-on jet ski, boating and canoeing activities.

The Walcon Marina also proved popular with a range of boats moored for viewing.

Kids were certainly not forgotten, with many young tots taking delight in the bouncy castle and petting zoo at the Pirates Cove.

A lot of planning has gone into the festival to ensure it offers something for everyone. There are so many opportunities for on-water recreation, especially in WA, and the Club Marine Summer Boating Festival brings everything together in a vibrant, festive atmosphere.

The demonstrations and activities continue over the weekend, with some of our State's best Jet Ski riders, show ski demonstrations, wakeboarding demonstrations, casting alley and the FESA Rescue 68 Helicopter.

Of course, the show also incorporates a line-up of live entertainment and cooking demonstrations as well as an endless array of displays and boats of all shapes and sizes.

The show offers an extravaganza of attractions at every turn and its all happening at McCallum Park this weekend – 10am – 7pm Saturday and 10am-5pm Sunday.

Let us Wet your Appetite for life. Get into Boating!!!!

Many photographic opportunities are available.
